Remember that having a pet is a long-term commitment. Please reflect on your current and future financial position, the amount of time you have to dedicate to a pet, and if there are any reasons why this adoption would not end in the pet finding its FOREVER home. If you are looking to adopt the perfect pet, chances are that won't happen. If you are not 100% committed and willing to take on a rescue pet and work with them through whatever possible issues they have, please reconsider sending in this application. We will notify you of everything we know about the pet you have inquired about previous to adoption, but sometimes new issues arise in a new environment or down the road.

After reviewing your application, if we feel that this pet would be a good fit for your family, we will reach out to you to arrange a date and time to meet and discuss further details of the adoption.

By signing below you are agreeing to all the terms of adoption with BAH.
